NATIONAL RECONNAISSANCE OFFICE

2010 National Space Symposium

Gen Bruce Carlson (ret)

DNRO Priorities

- Execute Launches on Time/Budget
- Improve the Business of Launch
- Improve Research and Technology Investment
- Invest in NRO Workforce

NRO Mission Success Depends on Space and Cyberspace

Collection in Space

Tasking, Processing, Exploitation, Dissemination in Cyberspace

Innovation on the Ground: Teaching Old Satellites New Tricks

70's

80's

90's

00's

Faster Delivery

Better Responsiveness

Better Accuracy

NATIONAL RECONNAISSANCE OFFICE

VIGILANCE FROM ABOVE
